

LEGAL AGREEMENT - FRAUDULENT

Classification: Fraudulent

Document ID: Fraudulent_2

The party agreeing to these terms hereby releases any and all claims they may have against us, including but not limited to claims arising from the reckless disregard for their safety and well-being, and further waives their right to bring an action in any court or tribunal, anywhere in the world, in favor of resolving disputes through a private hearing held in a secure, undisclosed location, which they may or may not be physically present.
